About This Game

Battle of the Boros is an action adventure RPG set during a mysterious invasion and occupation of New York City.

You play Kristen and the team of survivors she assembles to investigate what happened and reclaim the city.

You control a team of up to three characters at a time, each of who fights a little differently. Some specialize in attack, some in defense and some in support.

Through camping and chatting with your teammates you form friendships and can become even stronger!
